回答します。

Fujita Medical Journal Conflict of Interest Declaration e-Form

必須 Do you have any conflict of interests to declare?

Yes

No

If yes, please describe it (them) in a box below.

Conflict of interests exists when scientific judgement concerning the validity of research (i.e., primary interest) may be influenced by secondary interest such as financial benefit or personal competition. Examples of potential conflicts of interest include employment, consultancies, stock ownership, honoraria, paid expert testimony, patent applications/registrations, and grants or other funding

(only for corresponding author)

Funding Source (1-6)

(1) Is your research supported by any funding?

Yes

No

(2) If yes, please state sources of funding for your research in a box below.

(3) Did you acknowledge all sources of funding in the manuscript?

Yes

No

(4) Did the study sponsors have any influence on the study design, collection, analysis and interpretation of the data and in the writing of the manuscript?

Yes

No

(5) If yes, please describe how the sponsors involved in your study in a box below.

(6) If yes, did you declare that study sponsors had involved in the study design; collection, analysis and interpretation of data; the writing of the manuscript; the decision to submit the manuscript for publication?

Yes

No
